This page contains a list of [special pages](/wiki/Help:Special\_page "Help:Special page"). Most of the content of these pages is automatically generated and cannot be edited. To suggest a change to the parts that \_can\_ be edited, find the appropriate text on [Special:AllMessages](/wiki/Special:AllMessages "Special:AllMessages") and then request your change on the talk page of the message (using {{[editprotected](/wiki/Template:Edit\_fully-protected "Template:Edit fully-protected"))} to draw the attention of administrators).

You can also see what message names are used on a page by adding `?uselang=qqx` to the end of its URL, e.g. <https://en.wikipedia.org/wiki/Special:SpecialPages?uselang=qqx> will show `(specialpages-summary)` in place of this message, which allows you to find [MediaWiki:Specialpages-summary](/wiki/MediaWiki:Specialpages-summary "MediaWiki:Specialpages-summary").

For an index of special pages, see [Help:SpecialPages](/wiki/Help:SpecialPages#Alphabetical\_order "Help:SpecialPages").
